

2022 Sparkhouse Lenten Devotional

Here's a space to reflect and pray this Lenten season. Add this app to your phone to make it easy to read each day's devotion... And, no worries if you skip a day – that's ok! Just do what you can, when you can! Each day will include scripture, reflection, prayer, and an art image. Just use the following instructions to get it on to your phone...

Add the app to your phone or tablet

Safari for Apple iOS

Use Safari with an Apple iOS device. You will need to manually add the devotional to your home screen. This will look and act like an app on your device allowing you to easily access the daily devotional.

1. Open the Safari app.
2. Open SparkhouseDevo.org.
3. Click the Share Menu icon (📄).
4. Select "Add to Home Screen" and follow the instructions given.

Google Chrome for Android

Use Google Chrome with an Android device. When you visit SparkhouseDevo.org on a phone or tablet for the first time you should be prompted to "Add Devotions to Home screen." Click the prompt to add the devotional to your device. This will look and act like an app on your device allowing you to easily access the daily devotional.

If you do not get this prompt using Chrome, follow these instructions. Note: These instructions will only work on Android. For an iOS device, please use the Safari instructions above.

1. Open the Chrome app.
2. Open SparkhouseDevo.org.
3. Tap the menu icon (☰) and tap "Add to home screen."

Computers and other browsers

The devotional may be accessed from a computer and other browsers like any website by visiting SparkhouseDevo.org.
