

## Dear Family,

Our church recently subscribed to **Frolic Online**. Frolic is a family of early childhood faith formation resources for congregations and families.

As part of our subscription, we have the opportunity to sign up families of young children for a monthly **Enewsletter**. Each Enewsletter arrives on the first of the month and features four articles about child development and faith formation. The goal of each monthly issue is to support parents in helping their young children take their first steps of faith. Content is based on the age of your child and the month of the year.

For your family to receive this Enewsletter, we need this information from you: your child's name, date of birth, and email addresses for up to four caregivers who would like to receive this monthly Enewsletter. That means that in addition to your child's primary caregivers, you could have it sent to a few grandparents, godparents, or others who are supporting your child's faith formation.

Each Enewsletter is sent by Sparkhouse, a publisher of faith formation resources for children, youth, and families. Sparkhouse will not use your email address in ANY way other than sending you the monthly Enewsletter. Also, you can opt out of receiving the Enewsletter at any time.

We know that families of young children lead busy lives. We look forward to the opportunity to stay connected with you during these early years. We think the **Frolic Enewsletter** will be a great tool for doing that!
