

Faith Formation in a Post-Pandemic World

A Webinar Program for Designing Faith for 2021 and Beyond

A Partnership of the ELCA Synods of Region 9

The pandemic disrupted all of life, including the ways that we have done faith formation. In the midst of the pandemic pastors and faith formation leaders have done amazingly creative work in faith formation, reaching and engaging people of all ages at home, in small groups, and online—using digital tools and methods, such as websites, digital playlists, video conferencing, streaming, online classrooms, and social media platforms. Their work was nothing short of a transformation in the *how* and *when* and *where* of faith formation.

Now as we emerge into the post-pandemic world, we can begin planning for the future of faith formation in Christian churches. Leaders are asking. . . .

- F How have our people been changed by the pandemic? What new needs and hungers have emerged? How can we respond to their lives in the post-pandemic world?
- F How do we build on the effective approaches and tools we used during the pandemic? How do we sustain our innovations into the future?
- F Where are the new opportunities for forming faith? What's possible now?
- F How do we build more resilient, responsive, and adaptive faith formation for the future?

This webinar program and accompanying resources from Lifelong Faith Associates seeks to answer the question:

What will faith formation look like as we emerge from the pandemic in Fall 2021 and beyond?

The **Building Community and Relationships** webinar inspires and equips leaders in engaging children, youth, adults, and families as they return from a time of hybrid or at home learning. So many things have happened since the pandemic began and each of us and our ministries are forever changed. We will address those changes, discover what was successful and help create a path forward to welcome, offer hospitality, build relationships and create community. We will identify the scriptural and communal foundations of hospitality, assess current efforts and look for new opportunities as we reimagine our ministries and serve those in the faith community. The webinar will offer tools and resources to assess, innovate and design simple, effective and practical ways to create a community of welcome, hospitality and engagement that brings together everyone in the community. If we get this right, all our ministry efforts will be more successful and impactful from the start!

Designing Hybrid Faith Formation for the Post-Pandemic World

Thursday, August 5, 2021

2:00 to 3:30 pm (Eastern Time)

Presenter: Rev. Kathy Pittenger

For decades the church and faith formation have relied on in-person, fixed-time gatherings, events, and programming offered in physical spaces. The pandemic disrupted this “default” model, and pushed us to experiment with new models. **Hybrid** models of church and faith formation integrate in-person gatherings at church or in family groups or small group meetings with online content with a rich menu of faith forming experiences. Hybrid models hold together two important values: the importance of in-person relationships and faith forming experiences, and the importance of being responsive to the complexity of people’s lives and their religious-spiritual needs. Hybrid models expand faith formation opportunities for everyone, allowing leaders to become much more strategic about when, where, how, and for what we gather people because we can now integrate online with in-person faith forming. This webinar presents a variety of models for developing a hybrid future for lifelong faith formation in 2021 and beyond.

Rev. Kathy Pittenger is an Ordained Deacon and serves as Children’s Initiatives Coordinator for the Michigan Conference of the United Methodist Church. Previously she served as the Pastor of Lifelong Faith Formation for Central United Methodist Church in Waterford, MI. She earned a Masters of Divinity from Asbury Theological Seminary. Her passion lies in the areas of children’s ministry, literacy awareness, discipleship pathways, and walking with people on their spiritual journey. Kathy has been involved with local school partnerships for over six years.
