

FULC-MUST LUNCHEON

FULC will be serving lunch at MUST MINISTRIES on Monday, October 26.

Thanks to everyone who contributed to this worthy cause in 2019.

Christian Concerns applied for a Thrivent Action Team grant money to purchase the main entree for the luncheon. We were approved. Still needed are the side dishes – beans, pickles, potato chips and hamburger buns. If you would like to contribute to these, we are asking for a small monetary donation of \$5.00 - \$10.00. The Christian Concerns Committee will purchase the items. At the drive-in service your donation can be placed in a collection basket labeled FULC-MUST LUNCHEON. It can also be mailed to the church. If you write a check, please state that it is for the FULC-MUST LUNCHEON.

Thank you for your support of this worthy mission.
